La Zagaleta - Marbella

WORLD'S FINEST ESTATES

SECLUDED PARADISE IN LA ZAGALETA

La Zagaleta is arguably one of the most exclusive residential estates in Europe. It is a secluded paradise tucked away in the Marbella area in Southern Spain.

The 900 hectares have declared a security stronghold comprising two 18 hole golf courses which are among the most prestigious in Spain due to the lush vegetation and breathtaking views of Gibraltar and the Mediterranean Sea.

La Zagaleta is also home to a state of the art equestrian center with local Spanish and Arabian horses. An exclusive tennis court, fishing lakes and a private heliport allowing direct access to Malaga airport simply places this estate in a whole different level.

The Estate enjoys quiet natural surroundings teeming with indigenous wildlife that is very often seen as each plot is separated by a 10 meter green belt allowing deer, foxes and wild boar among others species to roam freely.

La Zagaleta offers easy access to famous Puerto Banus, shopping centres and local International schools.

THE COSTA DEL SOL

The Costa del Sol is located in the province of Andalusia in Southern Spain, one of the most popular tourist destinations in the world. This “ Sun Coast “ runs for 150 km between malaga and Estepona with skies predominantly blue all year round and brilliant sunshine. The Costa del Sol offers a series of large beaches, coves hidden amongst cliffs, famous leisure marinas such as Puerto Banus and tranquil fishing ports.

In the provincial capital of Malaga stands the military fortress of La Alcazaba, built by the moors in the 11th century. At the far end of the Costa del Sol is the geographical and political oddity of Gibraltar, with visits to see the Barbary Apes and abundant military history. This great diversity means that it has something to offer to just about everyone, with enough entertainment and variety to please all kinds of visitors.

The Mediterranean sea is warm and safe with hills and high mountains sheltering the coastline. These elements allow for an all year micro climate making it the perfect location for golf and other outdoor activities. Known to many as the “ Costa del Golf ” due to the outstanding choice of luxury golf courses set along the coastline makes it a one of kind destination for golf. Over 50 golf courses to choose from will have you returning to experience them all.
